Quiet thoughts
come floating down
and settle softly to
the ground

Like gold
of autumn leaves
around my feet.

I touch them
and they burst apart
with sweet memories

Of holding
hands and red
bouquets and twilight
trim and purple haze

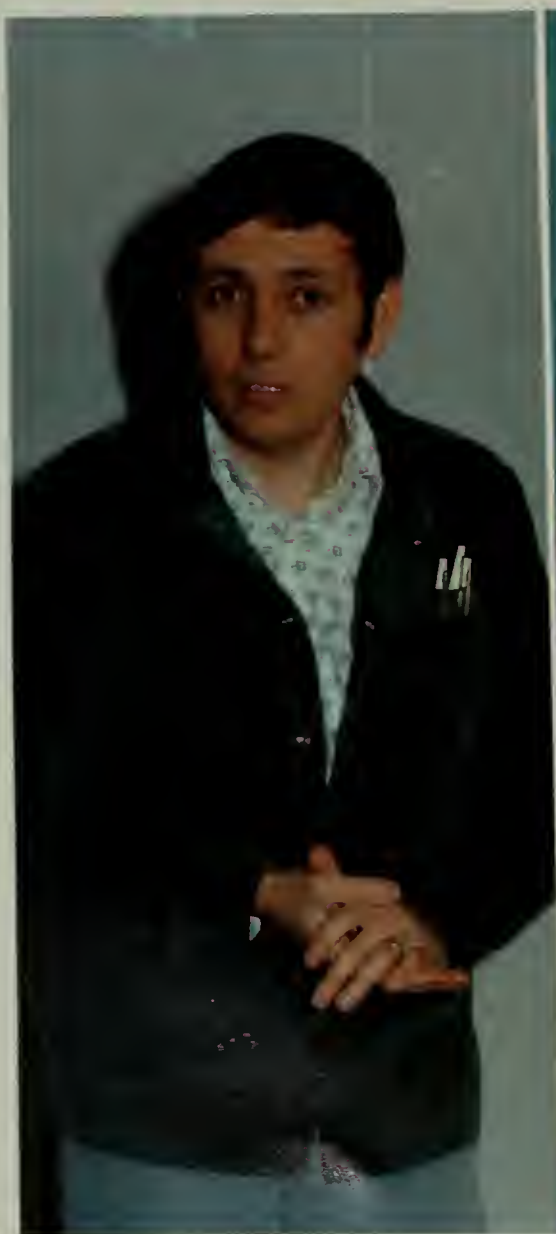

And laughing
eyes and simple ways
and quiet nights and
gentle days with you

Dedication

We, the class of 1979, wish to extend our appreciation and congratulations to Mr. Donald Thibault for his vigorous support and untiring dedication to our class.

Mr. Thibault has been in the Foreign Language Department at Waltham High School for the past fourteen years. During the years 1966 to 1973, he successfully ran the student council. At this time his patience and expertise benefited not only the student council, but all of the students at Waltham High.

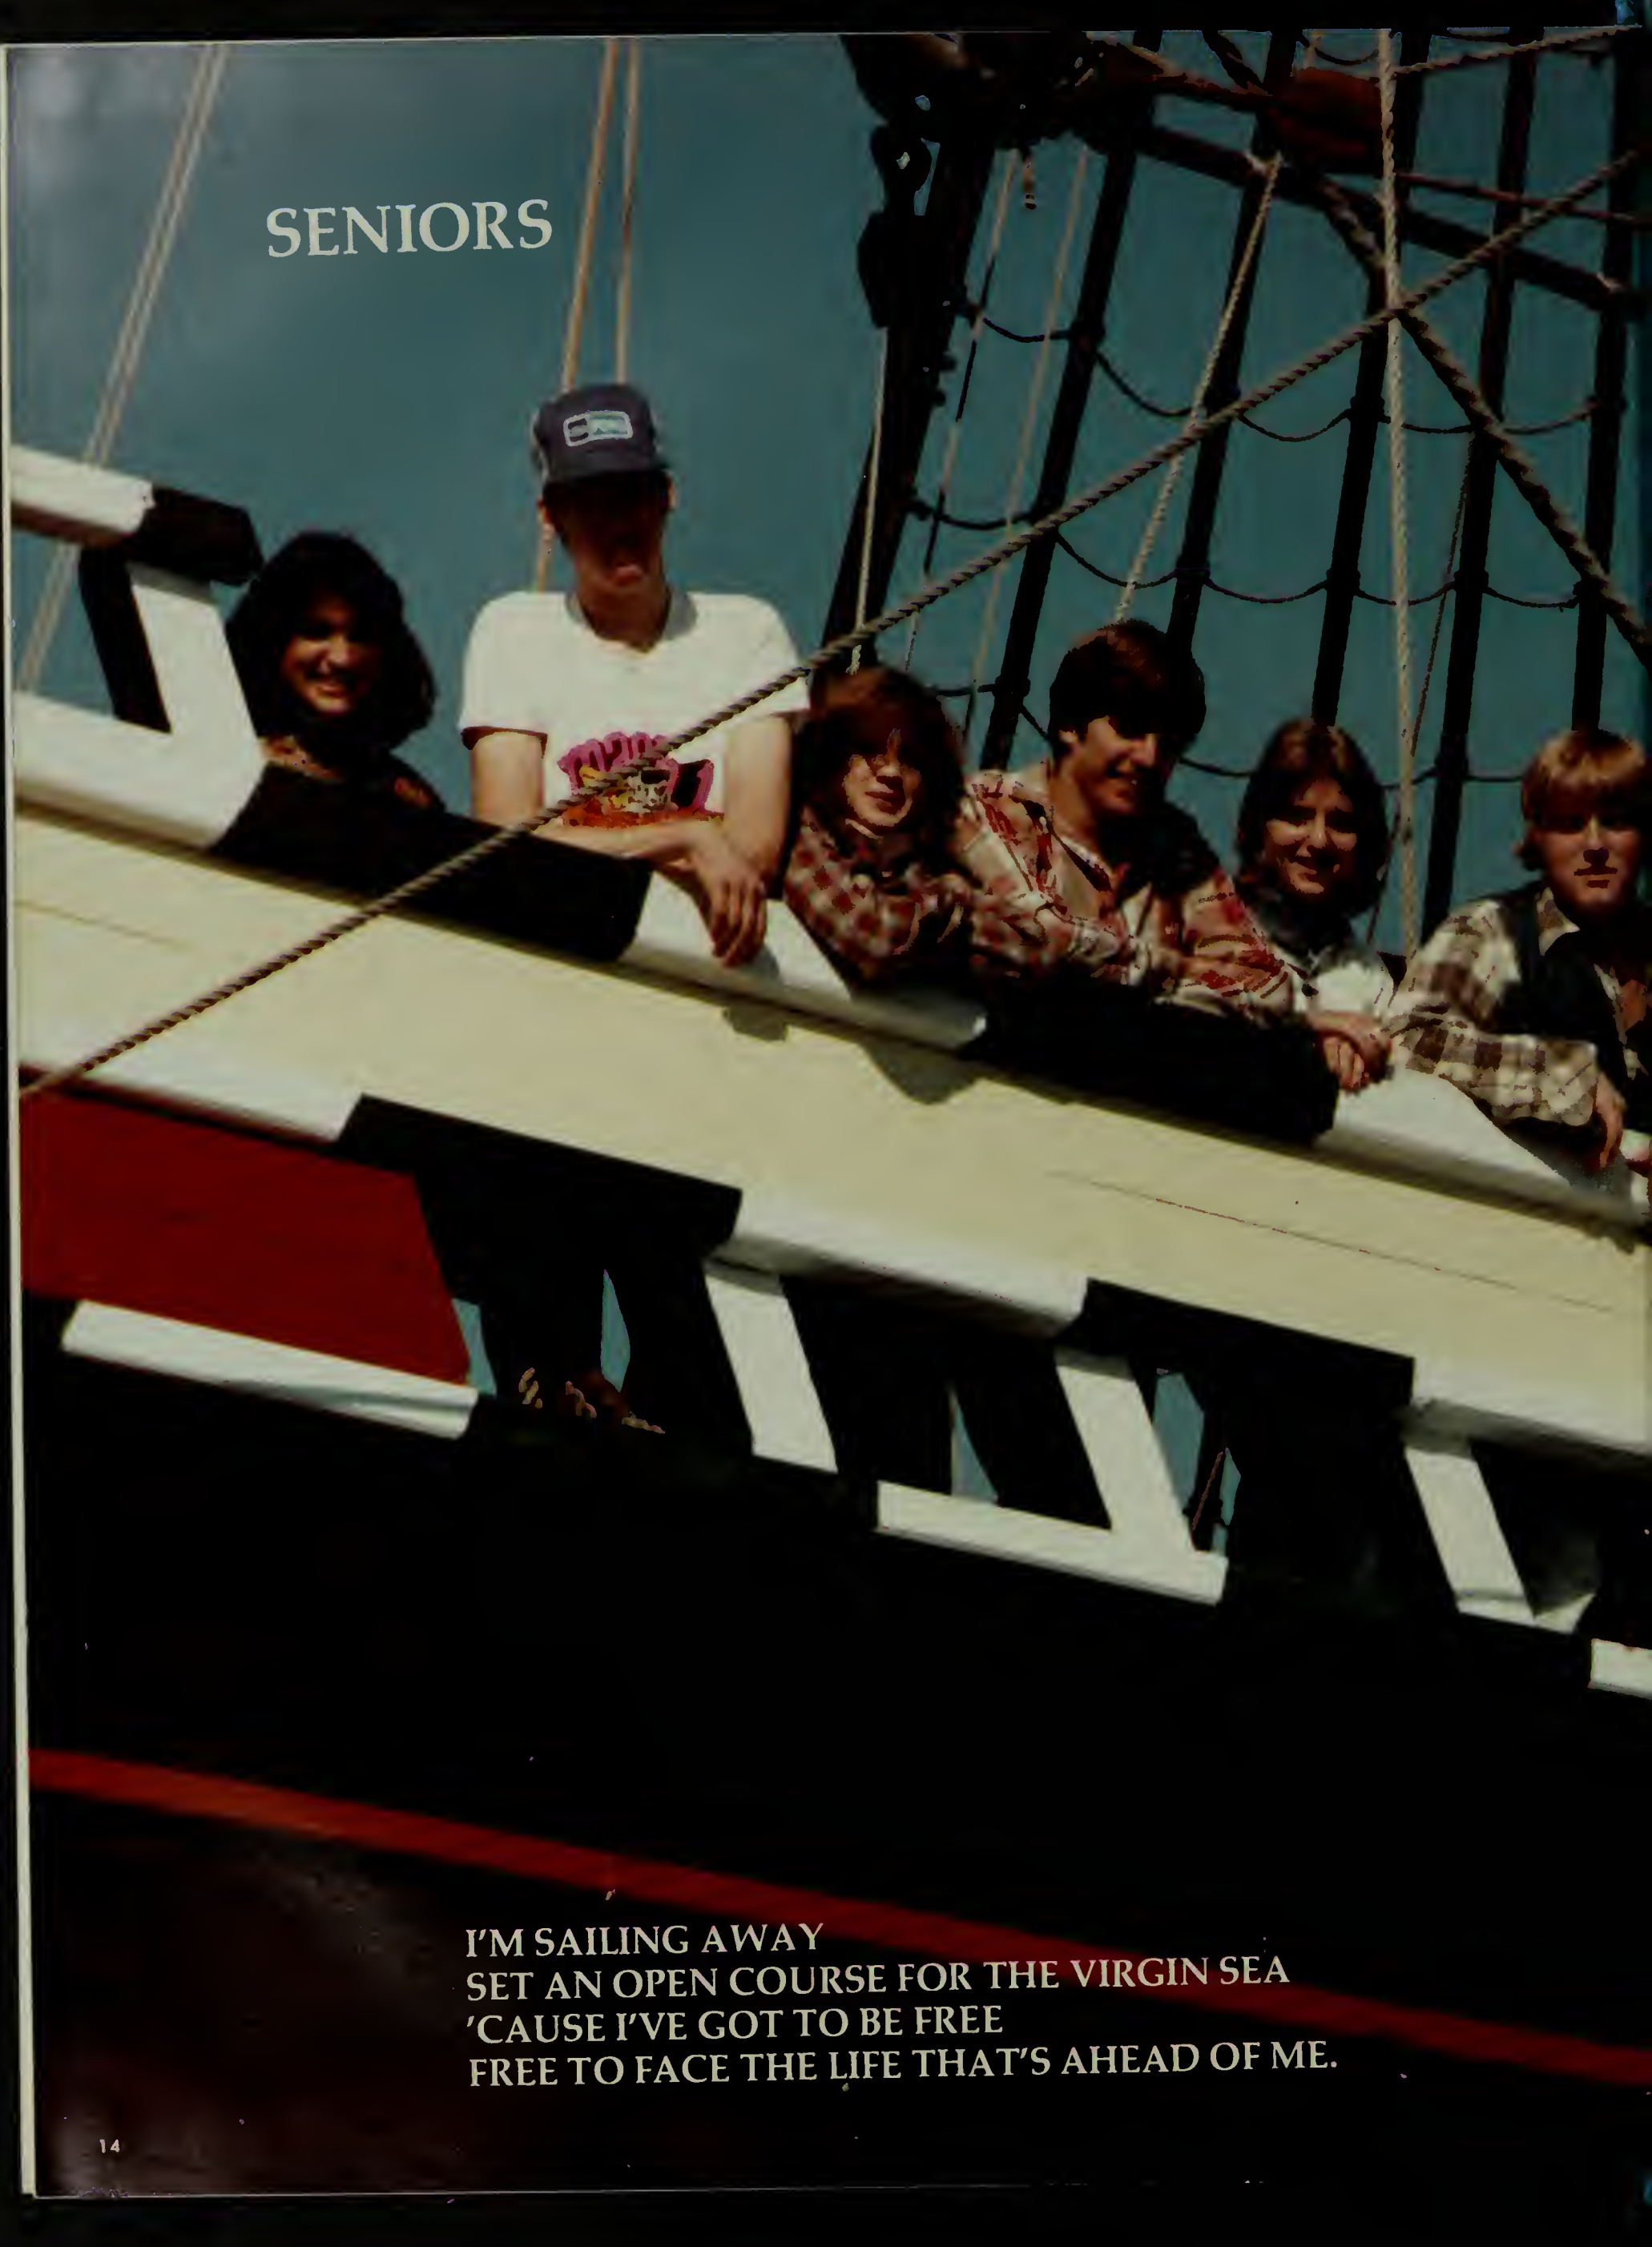

In addition to his advisory duties, Mr. Thibault assumed the position of the house office assistant. His leadership ability and concern for the student's welfare was at all times very apparent. Further, his ability at fund raising for the Senior class was very much in evidence by the enormous success of the "carnation love festival."

It is the hope of the Senior class that we may all someday demonstrate these qualities of concern and caring synonymous with Mr. Thibault's name.

We are also proud to dedicate the 1979 yearbook to Mr. James McDonnell. The extraordinary number of hours that he has devoted to our class has been beneficial in so many ways. Mr. McDonnell was the chaperone for the trip to Austria, as well as for the trip to Bermuda. With an insight into what students want, he made the trips both enjoyable, and safe.

Even more important is the intensity, loyalty, and dedication this man has shown to our class. Mr. McDonnell has been the advisor to the Waltham High School yearbook staff for six years. His success in raising money, as well as his fairness and organization, has brought our award-winning yearbook closer and closer to perfection. In addition to all of the interest Mr. McDonnell has in these activities, he always makes time to help his students on a personal basis, dealing with each student's needs individually. Mr. McDonnell is an excellent teacher who is known and respected by just about everyone in the school!

SENIOR REVUE

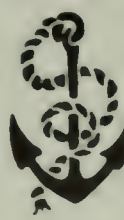

Senior Revue performs for sellout crowds

168 seniors participate

A minstrel show opened the revue, followed by a unique rendition of musical numbers characteristic of the decades. The memorable tunes included "Once in Love with Amy," "Mame," "I Wanna Be Loved By You," "Boogie Woogie Bugle Boy," and "Chattanooga Choo-Choo." Also performed were musical numbers from recent Broadway shows such as: "A Chorus Line," "Annie," and "Grease."

Dance routines were a prominent part of the revue. A tap routine by the Front Row Girls, was followed by "Waltz Medley", "Varsity Drag", and "Dungaree Doll." The seniors danced to the disco numbers, "Matcho Man", and "Disco Inferno". Tambourine routines by the End Men added highlights to the minstrel show.

Gaily colored costumes and special lighting added to the overall enjoyment of the successful production.

Boys & Girls in rebuilding season

Lee Gould coaches both teams

Despite their losing record, the girls' cross country team completed its fourth varsity season with a host of personal bests. Standouts included sophomores Maura LeClair, and Kathy Olney, who were awarded M.V.P. of the team. Third year veteran, Linda Karnikyan captained the squad.

First year coach, Lee Gould, felt that the girls worked hard and gave their best all season long. The team hopes for a strong turn out in the coming fall and is counting on a more experienced squad to pull through for the Hawks.

The boys' cross country team opened their season with a strong win against North Quincy. Standout captain Tim Vincicullo placed first in the race, and initiated what seemed to be a strong season for the boys. However, lack of experience took its toll, and Waltham finished the season with only a 3-5 record. Third year varsity runner, Bill Kramer, ran second to Vincicullo in what proved to be a tough suburban league for the Hawks.

Kneeling: Kathy Desmond, Arlene Brennan, Linda Karnikyan, Donna Kass, Cheryl Brown. Standing: Laura Bowers, Maura LeClair, Melissa Baird, Kathy Olney, Karen DalloCosta, Jody LaRosa, Elaine Aversa, Coach Gould.

SOCCER

First year a success

Joanne and Kim lead the way

Waltham High introduced a new fall sport this year, girls' soccer. This team was led by a new coach John Heslin.

A lot of enthusiastic players tried out for the team. Being our first year, we had some problems with more experienced opposing teams. We also had a lot of fun playing the games. Our team enjoyed a very successful season. We even won some games against second and third place teams.

The future for girls' soccer looks good, although we will be losing some of our most excellent seniors; Joanne Doherty, Chris Karam, Donna Lee, Laura Quinn and Kim Regan. We still have our juniors and sophomores coming back next year with a valuable year of experience behind them.

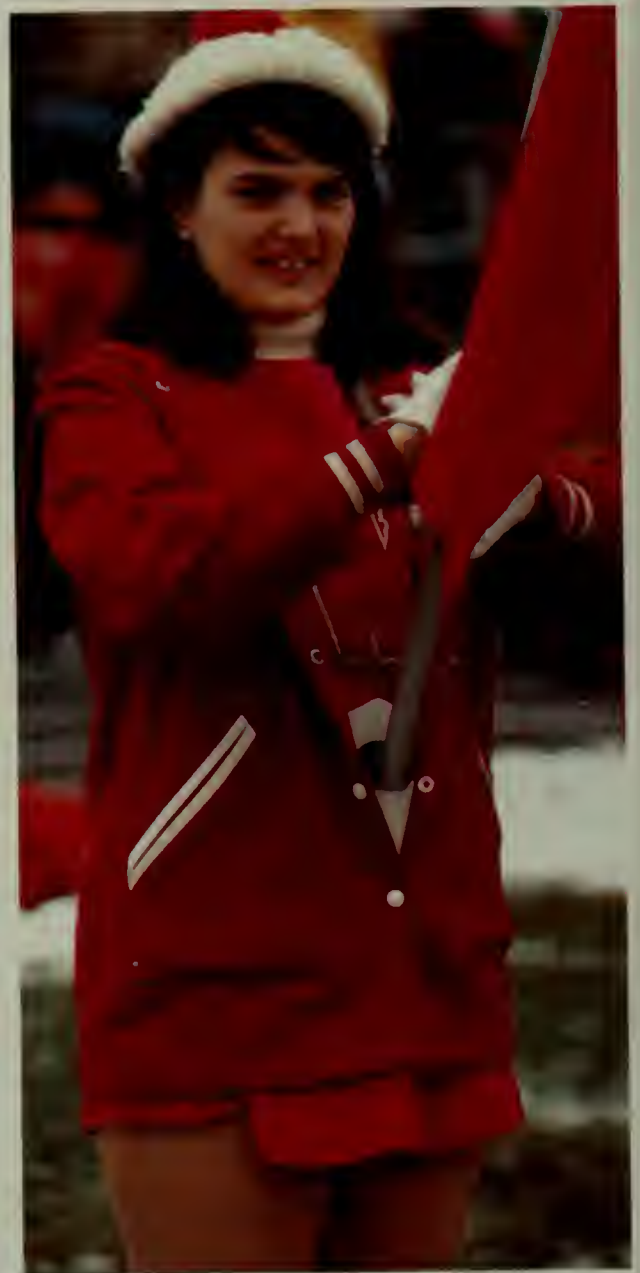

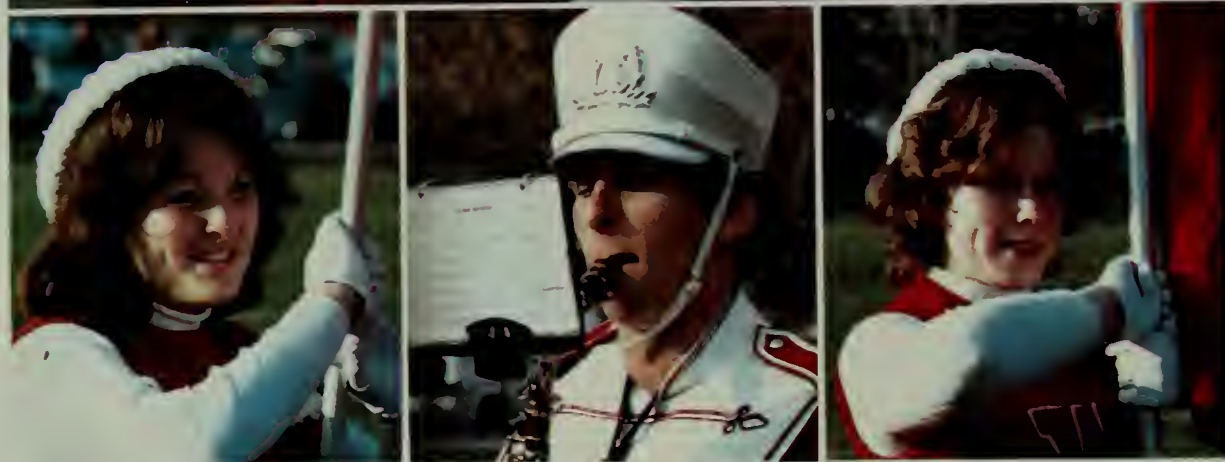

Kneeling: Carol Hajian, Judy Chiarelli, Donna Lee, Joanne Doherty, co-capt., Rose Mele, Kim Regan co-capt., Cathie Shea, Judy LeBlanc, Ann Scafidi. MARCHING BAND

New look for Marching Band

Half-time shows enjoyed by fans

The coming of the fall football season brought a new look to the Waltham High School Marching Band. Under the first-year direction of Mr. David Freitas the marching band and their accompanying squads showed their versatility with a variety of new routines and music. Supported by the Crimsonettes, Majorettes, and newly added Cheerleaders, the band was a colorful sight and much appreciated during their half-time performances. While keeping in step with the music the detailed choreography was both well defined and sharply executed on the field, reflecting the dedication and hard work of all the band members. We congratulate the WHS marching band and wish them and their coordinators success in the up-coming season.

FOOTBALL

Hawks repeat as Suburban League Champs

John Giusti leads Division One in scoring

The explosive Hawks once again ended their season successfully with a final record of 8-1. For the second year in a row, Waltham has clinched the Suburban League Title.

Initially, there was concern that Waltham's late season start would be detrimental to the team. However, this fear was soon alleviated by our opening victory over Brookline, 36-0. The following week, at the first home game, John Giusti, a three year starter, set an all-time single game rushing record by carrying the ball 273 yards to bring victory against Weymouth No. John's outstanding ability was aided greatly by offensive talents, Jerry Cappadona and Bill Cusick and defensive talents of co-captain Mike Lammatina and John Hovesebian. With these potential performers, we were able to capture five more victories after the first two.

The first and only defeat occurred when Waltham, ranking third in Division One, met its arch rival, Newton North. This loss proved disturbing to our fans as it upset the Hawks' chances for the Super Bowl. However, the Hawks soon regained their status when John Giusti scored 26 points against Brockton on Thanksgiving Day. This enabled the Hawks to end their season triumphantly as they were crowned with the title of Suburban League Champs.

Girls win North Section for 3rd time

Gail selected first team All Scholastic

Waltham High School's unbeaten streak was extended to 40 consecutive wins by the girls this year in their attempt to capture the Suburban League championship. They not only topped the Suburban League by defeating Brookline in the last game of the regular season, but also won their third consecutive North Sectional championship.

The team's fine performance was highlighted by the outstanding and consistent play of Gail Casavant, who was elected to the First Team All-Scholastic in volleyball. Also recognized for their fine play were Fran Smerlas and Carolyn Medeiros, who were voted to the Bench of the First Team. Chosen for Honorable Mention was Joyce Harrington.

In the State Tournament, Waltham easily defeated its first opponent, and split with both Milford and Brockton. These ties disqualified the girls from the finals.

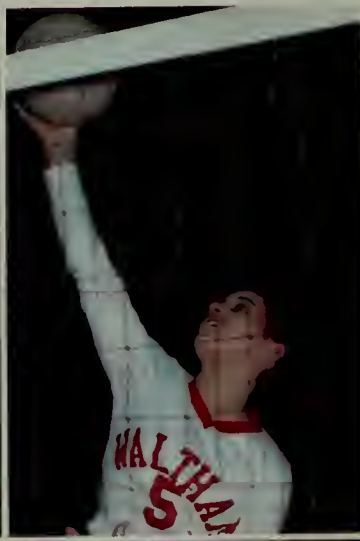

However, Waltham ended the year with a 17-1-2 record, which only reflected the outstanding ability of the team as a whole the girls' remarkable season was quite an accomplishment, of which they can be very proud.

Qualified for State Tournament

Highlight of season
victory of Newton
North under the lights

The soccer team ended a successful regular season with a 11-4-1 record and qualified for the 3rd year in a row in the Eastern Mass. Soccer Tournament.

The leadership was supplied by the tri-captains Joe DiStefano, Mark Bernard and Steve Oliveri.

There were many exciting games, both in a winning and losing cause but one game stands out as being the most exciting game in Waltham High soccer history. In the early part of the season we met Newton North at Bentley College for the first night game in Waltham's soccer, as well as the Suburban League. The end result was a thrilling 3-2 victory. This victory marked the first time a Waltham High soccer team ever defeated Newton North.

Little Mary a Success

Musical comedy well received by audience

On October 20 and 21, 1978 the Waltham High School Drama Department, under the direction of Mr. Stephen F. Rourke, presented Rick Besoyan's musical comedy, "Little Mary Sunshine."

"Little Mary Sunshine," a spoof on the late 19th and early 20th century operas was set at the Colorado Inn high in the Rocky Mountains. The story involved the characters: Little Mary Sunshine (Margaret Darrah), a young girl who sold home-made chocolate chip cookies to pay off a mortgage on her Inn; Captain Warington (Dan Emberley), the forest ranger who loved her; Nancy Twinkle (Annette Mele), Mary's friend; Billy Jester (David Bowen), Nancy's beau; a German opera singer (Ann-Marie Janoni); a retired general (Fred Harris); young gentlemen of the United States Forest Rangers; young ladies from East Chester Finishing School; and the three surviving Indians of the Kadota Tribe, namely, (William Collura, Shane McCloskey, and Mario Taddeo).

The show, highlighted by the many musical numbers such as: "The Forest Ranger," "Little Mary Sunshine," "Playing Croquet," "Tell A Handsome Stranger," "Such a Merry Party," "Naughty Naughty Nancy," and "Mata Hari," was performed enthusiastically by the cast of twenty-five students.

FOOTBALL CHEERLEADERS

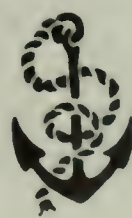

Girls add color and spark to halftime

Anne Cadigan, Captain

While the Hawks were hitting hard on the practice field, the W.H.S. football cheerleaders warmed up for what was to be another Suburban League Championship season. Captained by senior, Anne Cadigan, the girls added color and spark to Leary Field each Saturday while leading cheers and performing in half-time. Under the second year coaching of Laural Creonte, the girls impressed the spectators at every game, with their difficult mounts and finely choreographed routines.

The girls should be praised for their school spirit and the enthusiasm they maintained during the fall season. Cheer On!

HOMECOMING RALLY

Cheryl Martinos crowned queen

Annette Cormier and Laurie Brown attendants

This year, Waltham High held its fourteenth annual Homecoming Rally. The Rally was made possible by Student Advisor, Mr. Stephen Grant and the football cheerleaders. The band, football players cheerleaders and crimsonettes all participated.

The highlight of the Rally was the crowning of the queen, Cheryl Martinos. Her attendants were junior Annette Cormier and sophomore, Laurie Brown. At the Newton game, the following day the queen and her court took their traditional pre-game ride around the field. Here, Mr. Husson crowned the queen. That night the queen and her court were honored again at the Homecoming Dance.

The 1978-79 wrestling team proved to be the most successful squad in recent years. Coming out of its ninth season, the grapplers tied the W.H.S. record for most dual meet wins in a single season. Tri-captains, Joe DiStefano and Scott Baker led the team and came up with important wins when the Hawks needed them most. In post-season tournaments the boys proved equally impressive, placing second in the North Sectionals with junior Bobby Guisti capturing M.V.P. for the tournament. Seniors Baker and DiStefano each advanced to the semi-finals of the Mass. State competition and propelled the Hawks to walk away with a sixth place finish. Standout DiStefano also managed to capture the North Sectional title for the third consecutive year.

Many records broken during disappointing season

Tim Vinciuillo and Linda Karnikyan lead way

Despite having a number of outstanding individual performances this year, the track team suffered through a losing season. Outstanding senior performers included Bob Cassella and Tim Vinciuillo who both placed in the Suburban League Meet and capt., Bill Kramer and Paul Hillson. Among the highlights of this season was a fourth place finish by the two mile relay team in the States at B.U. Also the breaking of the school record by the two mile relay team of Paul Hillson, John Simeone, Gregg Demeo and Tim Vinciuillo at the Dartmouth Relays.

The girls' team had a better season than the record shows, because of all the school records they broke. Laura Bowers broke the school record in the high jump with a jump of 5'1". Beth Chiasson tied the school record in the 50 yard dash with a time of 6.6 seconds. Linda Karnikyan broke the school record in the 300 yard dash with a time of 41.0. Donna Kass broke the school record in the shot put with a throw of 33'4". Kathy Olney broke the sophomore record in the 2 mile run with a time of 14:18. The relay team of Kathy Olney, Ann Martin, Linda Karnikyan, and Karen DellaCosta, broke the school record in the 4 by 468 yard relay with a time of 5:06.46. It was truly a record breaking season!

JAZZ ENSEMBLE

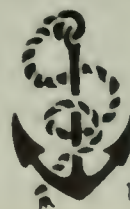

Jazz Ensemble has excellent season

High finish at UNH Jazz Festival

The Jazz Ensemble for 1978-79 performed in what was felt to be a "very successful year". Under the direction of conductor Mr. Thomas Ferrante, the Ensemble placed runner-up in the Massachusetts State District Competition, and sixth among the many fine entries at the University of New Hampshire Jazz Festival. The band performed in a number of concerts during the academic year including a local concert in which the Waltham Jazz Ensemble was highlighted. The year was rounded out by a series of exchange concerts and an appearance at the annual Berklee College of Music Jazz Festival.

Skaters suffer through 4-9-3 season

Provencher is All Suburban

Despite the hawks 4-9-3 record the hockey team did not have a bad year. They had six close games lost by one or two goals. The hawks were never out of any of the games. They gave it everything they had and fought down to the last wire.

The hawks had an outstanding performance from Paul Provencher who was the leading scorer with 15 goals, 13 assists, for 28 points. Paul was also picked All-Suburban.

Girls get last minute reprieve

Mariclare — Captain

As the 1978-79 hockey season approached, it was doubtful that a cheering squad would be chosen. But when a number of girls showed an interest, tryouts for a squad were held.

The eleven girls chosen to cheer for the Hawks had no previous cheering experience and few had but a little knowledge of the game. With the persistent encouragement of coach Laural Creonte, the girls shaped up into a promising squad and steadily improved throughout the winter. The girls were very much appreciated by the team and the spectators and should be commended for their spirit. Cheer on!

RIFLE

Sharpshooters maintain winning tradition

Peter Brennan has outstanding season

The 1978-79, rifle team maintained another winning season. Led by captain Peter Brennan, the team put together a 7-4 record. Although the rifle team was marred by inconsistencies, the team was able to maintain third place in the Middlesex League Meet.

The team will lose three good shooters from our senior class, but with next year's captain Troy Schichilone, the team has an excellent chance for the championship in the 1979-80 season.

Led by senior Co-captains John Trites and John Duffy, the Hawks only win came in their contest against Quincy. While the dual meet season was not tops the boys peaked during the Eastern Regional Meet and came away with a time that topped the school mark in the medley relay. Members of the record holding relay team included Trites, Duffy, Ira Kaffin and Todd Mitchell. Co-captain Trites showed himself to be the standout on the squad by capturing first place in the Eastern Regionals 100 yard backstroke as well as the Suburban league 200 yard freestyle.

VALENTINE'S DAY

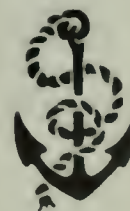

Cupid hits WHS

Carnations, Carnations, and more Carnations

Valentine's Day of 1979 was celebrated with much excitement when Waltham High was bombarded with carnations. Most of the credit for this successful activity goes to Mr. Thibault, along with some helpful students. This project involved a month of planning and organization, as well as at least one week of physical work.

There was a total of 2700 carnations sold; approximately 1000 red "I Love You," 1000 pink "I Like You," and 700 white "I'd Like To Get To Know You Better" carnations were delivered to the students. The enthusiasm spread quickly by word of mouth, making this Valentine's Day at Waltham High both memorable and prosperous for the Senior Class.

Dave Parrella team MVP

The boys had a difficult schedule this year as they ended their regular season with a 4-14 record. However, the team challenged its opposition in a number of games, in which the boys finished no more than four points behind. Waltham competed strongly all season and battled down to the final buzzer.

The starting team was composed of three juniors and two seniors co-captains Steve Righini and Dave Parrella. The latter was the recipient of the Arthur Quinn Trophy and the MVP honoring his outstanding play throughout the season. Steve Righini was awarded the Unsung Hero Trophy for his hustle and fine play. The Frank Collins Sportsmanship Trophy went to senior forward Ed Skane, who played his first season of varsity ball this year.

The boys put forth a serious effort in each game and should be commended for their hard work.

A disappointing basketball season for the Hawks did not dampen the cheer and pep of the 1978-79 cheering squad. Captained by Diane LeBlanc and Tricia Mooney, the girls worked hard to maintain a high standard of performance throughout the long season.

Their efforts were rewarded during the team's highlighted appearance at the Boston Garden for the annual Cambridge-Rindge contest.

The entire squad looked smart during the games and should be commended for their school spirit! Cheer On!

MOUSETRAP

Agatha Christie mystery a success

Cast of eight in memorable performance

The Waltham High School Drama Department presented Agatha Christie's immortal classic "The Mousetrap", a mystery drama about the search for a murderer among eight snowbound guests at a large country estate. The cast of eight was directed by a Boston College senior, Denis Campbell. The cast worked diligently for a month and the work paid off. "The Mousetrap" turned out to be one of the most successful serious plays ever produced at Waltham High.

The cast included Beth Martin, Fred Harris, Jim Darrah, Billy Collura, Tom Ready, Joanne Campbell, Karen Chilian, and Darlene Thomas.

Skiers have perfect season

Coach Reed replaces Coach McCleave

After many years of coaching, Mr. Howard McCleave stepped down as coach. His efforts will be remembered by the number of League Championships won and by the many excellent skiers developed under his tutelage.

The 1979 ski team welcomed a new coach this year, Mr. Tim Reed, a chemistry teacher at Waltham High.

Preseason training started out with a lot of enthusiasm and it looked like a promising year. However, due to the lack of snow the dry land training was extended. As a result of poor snow conditions the schedule for meets was curtailed. Cross-Country meets were completely washed out and only four downhill meets were held. Waltham completely dominated the league and went undefeated. Individually the Waltham girls never allowed an opponent to finish within the first five positions.

The girls were led by seniors; Kim Regan, Joanne Doherty, Juniors: Jane Joyal, Elaine Condon, Cheryl Stankard, and Cathie Shea. The boys led by Albie Rizzo, Shaun Coen, and Jeff Venuti were equally impressive.

The girls are proud to be considered among the "competitors" of the Suburban league once again.

BERMUDA

124 students invade Bermuda

**The island will never
be the same**

As the plane with 124 Waltham High students circled above the Island of Bermuda, its beauty was clearly visible. We saw this in its beautiful beaches and coral reefs seen throughout the ocean. The streets were lined with houses made of coral, colorful gardens and palm trees everywhere we went.

This year's trip was highlighted by a beach party at Elbow Beach and a cruise along the coast, both of which featured the Bermuda Strollers. During these events free Bermuda T-shirts were distributed, and on the cruise in addition to the T-shirts, Bermuda baseball hats were given out.

During the day the group enjoyed sightseeing on their mopeds or just relaxing at the beach. Many chose to stay at the hotel, The Coral Island, to socialize around the pool area.

In the evening, however, everyone enjoyed attending Discos and Island Shows, both of which proved to be quite enjoyable.

There is much to be seen and done on this island. In a week's time it is almost impossible to see everything, but we tried to see as much as possible during the trip. When the day came to leave everyone's conversation was the same; "I'm coming back someday. I don't want to leave this island paradise." And as for Bermuda — the island will never be the same again!

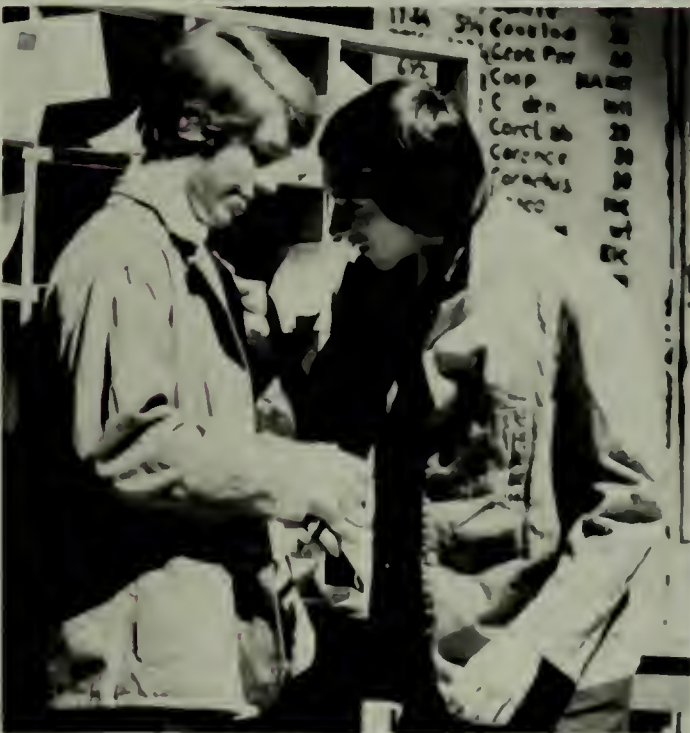

HOW TO SUCCEED

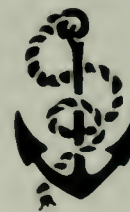

Spring musical succeeds

Cast of fifty give rousing performance

This year's spring musical, under the direction of Robert J. Eagle, was the story about a young man J. Pierpont Finch (David Bowen), who quickly rose from window washer to chairman of the board of the World Wide Wicket Company. He accomplished this unbelievable task by following simple instructions in the book, "How to Succeed In Business Without Really Trying."

The cast of fifty students, including principal performers: Fred Harris, Rose Mele, Bill Collura, Beth Martin, David Casavant, Suzanne Conway and Cindy Laforest; sang and danced their way through two evenings of rousing entertainment.

SOFTBALL

Hawks qualify for state tournament

Sharon Smith leads way with .647 average

Competitiveness and their "never say die" attitude were key factors for the success of the softball team. After defeating first place Newton North (10-9), the Waltham team qualified for the State Tournament. Although the Hawks ousted Newton from the tourney, they lost to Peabody by a score of 7-1.

Powerful hitting and good sportsmanship were two of the team's outstanding characteristics. Sharon Smith led the team and the league with a .647 batting average. Ann Huff was an extremely controlled pitcher who worked the inside and outside corners of the plate effectively. Fran Smerlas was the only Hawk to be picked for the First Team Suburban Interscholastic Athletic Conference. Her power hitting and great defensive play captured the position.

Qualify for tournament

The 1979 Girls' Tennis Team ended their season with a fairly successful record.

Team Captain, Lynne Apone was a great asset to the team as 1st single player. The team also gives credit to strong singles players, Diane Cinotta and Denise Boudreau. First doubles players, Sharon Straw and Cathy Shea worked in tandem to support the team, in many 3 set matches. Playing in second doubles was 1st year players, Jean Locke with rotating partners Monica Brunaccini and Linda Tisch.

The Boys' Tennis Team experienced a very successful season. Finishing as a qualifier for the state tournament with a record of 12-3, the combined effort of senior players; Peter Koutoujian, Karl Chen, Mark Waldron along with excellent support from other team members made each match an exciting and memorable one.

LACROSSE

Lacrosse suffers through 4-11 season

Optimistic about next season

This year Waltham's Lacrosse Team had a disappointing season with a 4-11 record. After losing most of its big guns last year, Waltham was left with three seniors; John Craig, John Rhatigan, and Lou Sabbagg, who was picked to play on the All-Star team. The rest of the team consisted of juniors and sophomores who will be returning next year. Also in the honors was Rich Cormier and attackman who was picked to the Central League All-Star team. Next years captains Jim Desjardin, Rich Cormier and Steve Devoe are very optimistic about next year, and plan on having a better season.

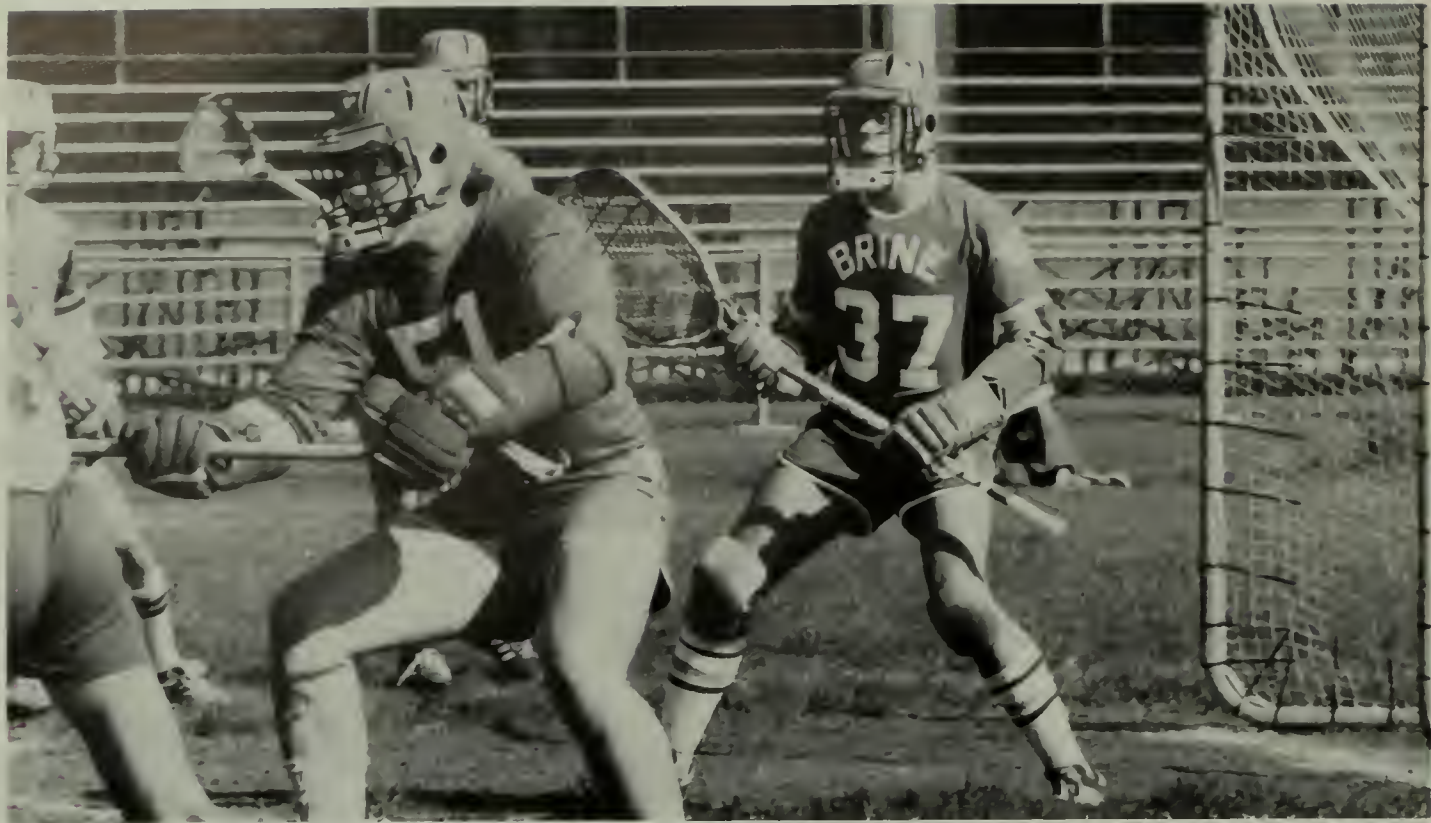

1st Row: Steve Devoe, Rick Caccitore, Jon Rhatigan, Lou Sabbagg (co-capt.), John Graig (co-capt.), Jim Desjardin, Mark Sullivan, Todd Mitchell. Standing: Coach — Frank Schofield, John Menard, Doug Robertson, Jay Gallagher, John Wade, John Barry, Mark Hurley, Rich Cormier, Tim Kiley Alex Gabay.

Track teams gain experience

The girls' track team had a very satisfying season. The record was a disappointing one but many personal bests were accomplished. Over half the school records were broken this year with many outstanding performances. The team did exceptionally well in the suburban league championships posting three first places as well as many other scoring positions.

This years spring track team suffered through a 1-7 season, in a year which was labeled as rebuilding.

Despite having strong performances, from seniors Bill Kramer, Tim Vincuillo, Rich Walters, Stu Goldsmith and Bob Casella this hawk team was young and has a wealth of raw talent coming back next year.

SENIOR WEEK

AWARDS NIGHT

Awards assembly huge success

Scholarships total over \$50,000

An innovation which proved to be an immense success was our first annual Senior Awards Assembly, held at Robinson Auditorium on Wednesday evening, May 30, 1979. English teacher Ira Steinberg opened the ceremony with introductions and, in a brief speech, cited Shakespeare's praise of learning. Then he turned the program over to School Committee chairperson Mrs. Campbell, who awarded Committee Keys to 45 seniors in acknowledgement of their three-year record of academic excellence.

Next, Mr. Viscarello presented Vocational School awards and scholarships to several deserving vocational students. His presentations were followed by Mr. Husson's. The high school principal awarded local, institutional, state, and national awards and scholarships to more than 100 seniors. He noted that the total value of local scholarships alone exceeded \$50,000; others totaled over \$100,000 more, with some four-year scholarships amounting to more than \$20,000 each. Closing remarks were offered by senior Janice Wilson who rendered thanks to "home, school, and community" for their inspiration and support.

SENIOR PROM

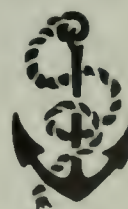

Jean Mula crowned queen

780 attend

The date was May 28, the place the Chateau DeVille in Randolph, and the evening's event was the 1979 Senior Prom. A record-setting 375 couples plus 30 guests sat down to delicious roast beef dinner and then rocked and discoed to the sounds of "Daybreak."

At ten, the promenade began as a prelude to the selection of class queen. This year's beautiful queen was Jeanne Mula, escorted by Michael Lamattina. Her attendants were Liz O'Neal, and Linda Blais. The three young ladies were presented to the assemblage by Mr. Husson, who was performing this function for his thirteenth and final time. Finally, the three couples led their classmates to the dance floor as the band picked up the class's theme song, "The Long and Winding Road."

Midnight signaled the grand exit from this, the most successful Waltham High senior prom ever.

SENIOR BREAKFAST

Senior Breakfast honors students

Teachers receive special recognition

Almost 450 seniors and faculty guests showed up for the most successful senior breakfast ever at The Hillcrest on May 30, 1979. Mounds of scrambled eggs, ham, potatoes, doughnuts, and gallons of juice and coffee disappeared as a prelude to an annual awards ceremony which recognized distinguished seniors and faculty.

Plaques and Trophies were presented to outstanding participants in music, drama, sports, and various academic and vocational areas. Also awarded were book prizes for English, language-arts excellence and certificates of merit for special accomplishments or service to the school community. Several Teachers received "special recognition" plaques.

In his closing remarks, housemaster John Regan praised this "memorable and accomplished" class, promising not to forget "all the pleasant memories you've left me."

CLASS DAY

Students honor teachers at class day

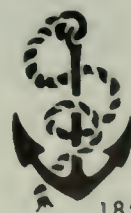

Special recognition to Mr. Husson and Mr. Regan

The weather was beautiful and the mood was festive for the 1979 version of the annual Class Day celebration, held on Thursday, May 31. Seniors, parents, friends, and faculty flocked to Robinson Auditorium to hear Lynne Feehily and Barbara Hurley open the program.

As usual, there were several memorable highlights. Skits of high school memories recalled sophomore frustrations, teachers' idiosyncrasies, and the legendary Joan Meek. Later, Jay Joyce and Brenda Lyons announced the senior superlatives; in fact, they announced Jay's name four times!

Teacher superlative plaques were also presented, as was a "This is Your Life" segments in honor of Mr. Regan and a gift from the yearbook staff of a recliner chair to Mr. Husson.

In accordance with tradition, the closing presentation was the announcement of the yearbook dedication. This year's honors were shared by two dedicated workers for the senior class, yearbook advisor James McDonnell and Student Council advisor Donal Thibault.

GRADUATION

Class Poem

We are here
 Because we have completed one sphere
 And will soon pass on to the next.
 This day
 Is a normal culmination of one phase of
 life
 And a natural entrance to another.
 But is that really all?
 Or are we a symbol of some greater thing
 That transcends our presence here?
 Is the cross road we have reached
 More vital than we dreamed?
 And can our destiny be shaped
 By our stars and not ourselves?
 It may be so.
 But the stars can only shine —
 Their one resource is brightness.
 We have that potential
 And so much to offer.
 It is the nature of a star
 To be a diamond in the heavens
 And a star does not strive beyond this
 nature.
 A star has no mind
 To pass it on to greater things
 As we do.
 And if the fault,
 As Cassius said,
 Lies within ourselves,
 Does not the virtue be there also?
 We have accomplished much
 And will accomplish more.
 That is this day's purpose.

Mary E. Biggins

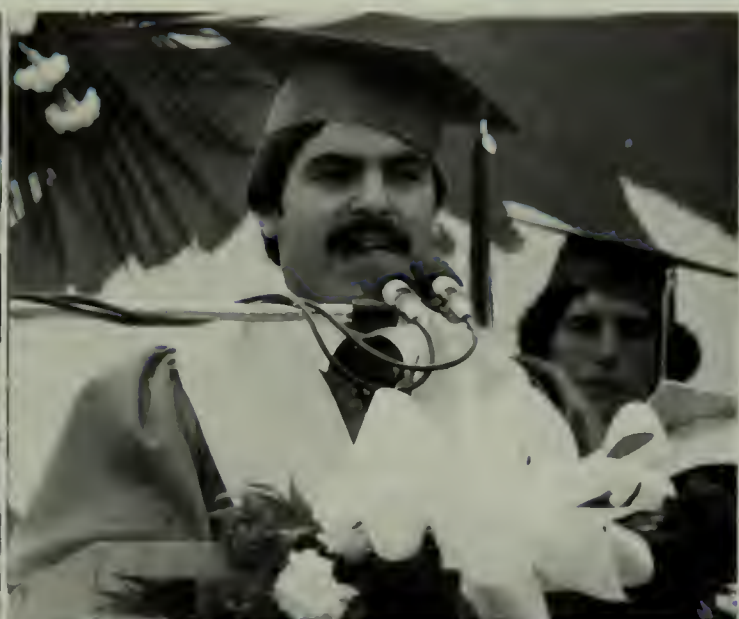

Over 800 students graduate

**You've only just
begun!**

Grey skies threatened but failed to dampen the spirits of seniors and guests at Graduation 1979, held at Leary Field on Sunday, June 3. This year's ceremony had a "streamlined" new format; the traditional speaker was deleted and the awards were handled at a special assembly.

The program opened with prayer from clergy and encouraging remarks from members of The School Committee. Class President Michael Lammatina's welcoming address was particularly interesting and appropriate: he compared the symbolic nature of graduation to the Roman god Janus, who could look both in front and in back of himself. Afterwards, class treasurer Barbara Hurley presented Principal George Husson with a gift from the class: a large outdoor clock and bell system for the front of the school. Gilbert Depres, Vocational High School president, presented a class gift of cash to Mr. Viscarello.

The big moment — the awarding of diplomas — was received exuberantly by the graduates, a fitting climax to the three happy and productive years.

In loving memory of Mary Ann Bassett

To laugh often and love much;
To win the respect of intelligent persons and the affection
of children;
To earn the approval of honest critics and endure the
betrayal of false friends;
To appreciate beauty;
To find the best in others;
To give one's self without the slightest thought of return;
To have accomplished a task, whether by a healthy child,
a rescued soul, a garden patch or a redeemed social
condition;
To have played and laughed with enthusiasm and sung
with exultation;
To know that even one life has breathed easier because
you have lived;
This is to have succeeded.

Mary Ann Bassett

The everlasting peace

There is a joy
brought to us all
... Life.
There is a sadness
brought to us all
... Death.
Both come when we least
expect them,
Affecting those around us
Both, with happiness and pain.
Life brings joy
and all kinds of hope.
Death brings pain
because of things we don't know.
We have learned
to live Life
... The eternal hope,
So we must learn
to accept Death
... the everlasting peace.

To my leader and friend

You were so strong, you were just a brute.
 You always were a man of life.
 And now you're lying there so mute
 So deaf, so silent — so out of life.
 You were a leader, and you were a friend.
 You were eighteen, so funloving and young.
 And then your life had come to an end.
 On Cabot Street, the bell has rung.
 Do you remember how we fooled around?
 Together — we were all like brothers.
 Remember we discovered and we found
 Our open souls — remember brother?
 Or do you remember on a football field
 The kids from Newton wanted to escape you.
 I was just a little boy, I always yelled.
 To cheer you on, to always help you.
 It's not how you died that we'll remember,
 But how you lived — to us you're still alive.
 And every single little member of HLA
 Will pray for you and cry.
 But God is up there, somewhere on the sky.
 He will unite us all again — that's all.
 Your body may be dead — your soul won't die
 Because your friends are always with your soul.

JUNIOR PROM

The Greatest Junior Prom Ever. Diane Tobin Crowned Queen

The 1979 Junior Prom was "the greatest". It was attended by a record number of Juniors and held on April 7 at the Hillcrest in Waltham. Good friends, good music and a delicious roast beef dinner was enjoyed by all.

Diane Tobin was crowned Prom Queen. She was escorted by Brian Callahan. The Queen's attendants were Judy LeBlanc and Nadine Cloukey.

The theme song was so appropriate because we will "Always and Forever" remember our Junior Prom — 1979.

CHILD CARE

Child Care a Success Students Find Course Rewarding

Classroom work covered the physical, emotional, social and intellectual development of children. Art, literature, music, games and how to be a successful child care aide were also included.

Children with special problems were of particular interest to many students. The class visited some of the Agencies which help children and families in Waltham. Guest speakers came to class to explain their jobs and services.

Each student worked over 200 hours as a teaching aide in a kindergarten and a day care center. They started by observing the teacher and her class, and by the end of the semester many students had the experience of teaching the entire class.

Kindergartens where students worked this year are: MacArthur, Plympton, Banks, School Street, Bright, Northeast, Lawrence.

Class members also worked at Green Acres, Prospect Terrace, Community Day Care Center, Brandeis, Waltham Day Care Center, Beaverbrook Guidance Center and Resource rooms at Northeast School.

Health Career students use patient-care skills

Receive certificates for two-year program

During their senior year, the Health Career Students rotated to the Waltham Hospital, the Maristhill Nursing Home and the Fernald State School in order to practice the patient-care skills they had learned and practiced in the school laboratory during their Junior year.

At the Waltham Hospital, they were assigned to Pediatrics, Radiology, Out-Patient Department, and Nichols 4 and 5 (Medical-Surgical Units). They were under the supervision of the nursing staff, who lauded their contribution.

While at Maristhill, they gave "T.L.C." to their "own" geriatric patient and included facials, manicures and other various fun activities, including parties. The patients were delighted at the attention given by the "cute, young nurses."

For the first time, the students were assigned to the blind unit at Fernald where they learned how to assist the residents with their Activities-of-Daily-Living skills, their mobility and listening skills and table-top, pre-vocational tasks. They traveled with their residents to the Vocational workshops and were able to observe the varying abilities of the participants.

At each agency, conferences were held by the various allied health personnel, such as, Social Service, Clinical Laboratory, Speech and Hearing, Nursing, the Therapies: Occupational, Physical, Recreational Etc.

Visits and tours were made to Massachusetts General Hospital, Children's Hospital, (Newborn Intensive Care Unit) and the Northeast School to observe the Adaptive Physical Education Program.

The Director of Volunteer Services at each of the agencies presented the students with Certificates of Appreciation at a ceremony held on Class Day. At the Senior Breakfast, each student received a Certificate of Accomplishment for having successfully completed the two-year program.

Students have been accepted at Quinnipiac College, SMU, University of Florida, University of Wisconsin, St. Elizabeth's Hospital, Middlesex Community College and Mass Bay Community College for training in such careers as: Physical Therapy, Occupational Therapy, Nursing, Mental Health Therapy.

Good Luck to you All!! You are a Credit to W.H.S.

OFFICE OCCUPATIONS

Cooperative program leads to fine careers

Fills demand for skilled graduates

The Cooperative Office Occupations program made school more meaningful for 25 young women this year.

The cooperative work experience started many of the women on their way to fine careers. They worked very hard in the offices of 24 companies in the Waltham business community from 20 to 30 hours each week.

Most important we learned what we did not want to do on a full-time basis. One student will be attending Bentley College, others Middlesex Community College, Aquinas Junior College, and Massachusetts Bay Community College to pursue more comprehensive study in accounting, legal secretarial, and medical secretarial courses. Another student was offered the opportunity for full tuition at Fisher Junior College.

Twenty of this year's graduates are presently employed full-time in meaningful employment. Most of these people have not enjoyed the traditional Christmas, Winter, Spring vacations but chose to work full-time. Many acquired the hours necessary to have earned one and two weeks vacation a few weeks after graduation this year. Other students have chosen to treat themselves to a summer vacation before entering full-time employment. Not one of these women is considered an entry-level employee.

The demand is great for skilled business graduates and each year more jobs are available nationally than qualified people to fill them.

To the Cooperative Office Occupations Class of 1979 a very successful future. You are a credit to the City of Waltham.

DISTRIBUTIVE EDUCATION

DECA program open to all

Gain on-the-job training

This is a cooperative educational program designed to meet the needs of those young men and women who wish to pursue a career in the field of retailing, marketing, or distribution. It combines in-school instruction with on-the-job training, as well as membership in the Distributive Education Clubs of America to complete the total instructional program.

The Distributive Education student spends at least fifteen hours a week at an on-the-job training station with a cooperating retail employer. Periodically, the teacher-coordinator observes the students at their work and confers with their training supervisors.

ACTIVITIES

A black and white photograph of three students standing on the deck of a ship. The student on the left is a young man with long hair, wearing a dark jacket. The student in the middle is a young woman with curly hair, wearing a dark jacket with a light-colored collar. The student on the right is a young man with curly hair, wearing a dark jacket. They are all looking towards the camera. In the background, the ship's rigging and ropes are visible.

1979 MIRROR STAFF

Staff outstanding

Hard work leads to successful book

In the fine tradition of the dedication and enthusiasm of the editors of the "Mirror" and in their willingness to work above and beyond their obligation my staff was outstanding.

Dianne Cincotta, an editor in chief, was a three year starter on our tennis team and will attend Boston College in the fall.

Deana Herzog, an editor in chief, participated in Senior Revue and was a member of the National Honor Society. During her junior year she received the Smith College Book Award for excellence in academics. In her senior year the Jewish War Veterans awarded Deana the Classmates Today, Neighbors Tomorrow Award, Deana also received the School Committee Scholastic Key Award. Deana will attend University of Mass at Amherst in the fall.

Donna Gallitano, a co-editor, was a member of the football cheerleaders and the National Honor Society. Donna received the School Committee Scholastic Key Award and she will attend Smith College in the fall.

Carolyn Medeiros, a co-editor, was a three year member of our girls volleyball team and she was chosen second team all scholastic this past fall. Carolyn is a member of the National Honor Society and received the School Committee Scholastic Key Award. She also received the Class of 1970 Scholarship and a Boston University Grant where she will attend in the fall.

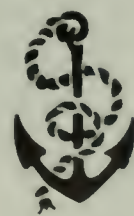

Candi Stevens, a co-editor, participated in Senior Revue and was a member of the National Honor Society. Candi received the School Committee Scholastic Key Award, The Anna Redmund Scholarship, The Beth Eden Baptist Church Scholarship, and a grant from the University of Lowell where she will attend in the fall.

Janice Wilson, a co-editor, was very active in the drama department having participated in Senior Revue, along with the spring musical. Janice is a member of the National Honor Society and also was awarded a School Committee Scholastic Key Award. Janice received the Joseph Drapkin Memorial General Scholarship and a grant to Brandeis University where she will attend in the fall.

Anne Cadigan, an associate editor, was captain of the football cheerleaders and a member of the National Honor Society. Anne received a School Committee Scholastic Key Award along with The Waltham Woman's Club Scholarship, The Joseph Clasby Memorial Scholarship, and a grant to Colgate University where she will attend in the fall.

Joyce Harrington, an associate editor, was a three sport star of volleyball, basketball, and softball. She was a co-captain in each of these sports and was co-recipient of the Louise Sewall Award given to the outstanding female athlete. Joyce received the Muriel Arico Memorial Scholarship and the Carl Westphal Scholarship. Joyce will attend Fitchburg State College in the fall.

The staff should take a great deal of pride and satisfaction in the work that they have done. I'm sure that each time they see the pages that they did it will bring back many pleasant memories.

CONCERT CHOIR

Chorus Performs "Mass in G" Performance Enjoyed by All

On April 8, 1979 the Waltham High School Chorus performed the Latin classical musical piece "Mass in G" by Franz Shubert. The featured soloists were Suzanne Conway, soprano, Christopher Wallace, tenor, and James Darrah, baritone.

Accompanying this musical work in creative contrast was Tirro's American Jazz Mass, accompanied by professional musicians.

Selections were sung by the W.H.S. Chorale, under the direction of Mrs. Sandra J. Gay. Laurie Phelan on piano and Gary Tashian on bongo drums, accompanied the Chorale. The whole evening was a successful and enjoyable evening of different musical varieties.

DRAMA

Star of Annie entertains juniors

Bob Fitch enjoyed by all

Bob Fitch currently starring in "Annie," has appeared in 17 previous Broadway shows, including "Mack and Mabel," "Coco" with Katharine Hepburn, "Lorelei" with Carol Channing, which he also staged for the straw hat circuit, and "Promises, Promises." He also toured earlier this season with Jerry Lewis in "Hellzapoppin." He headlined in the Playboy revue, "Bunnies" '76, has played Shakespearean roles as a member of the Helen Hayes Rep Company, and toured national and international night spots with Liza Minelli in her first act. His TV credits include NBC's "Streets of the Flowerboxes," ABC's "Norming of Jack 243" and staging computer animation for "The Incredible Bread Machine." His time is divided among the theatre, teaching magic and his six children, but not necessarily in that order.

MEDIA CLUB

TOP OF THE MORNING

Top of the Morning in Third Season

Media Club Honors Tony Pepper

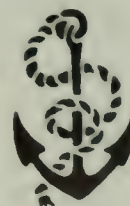

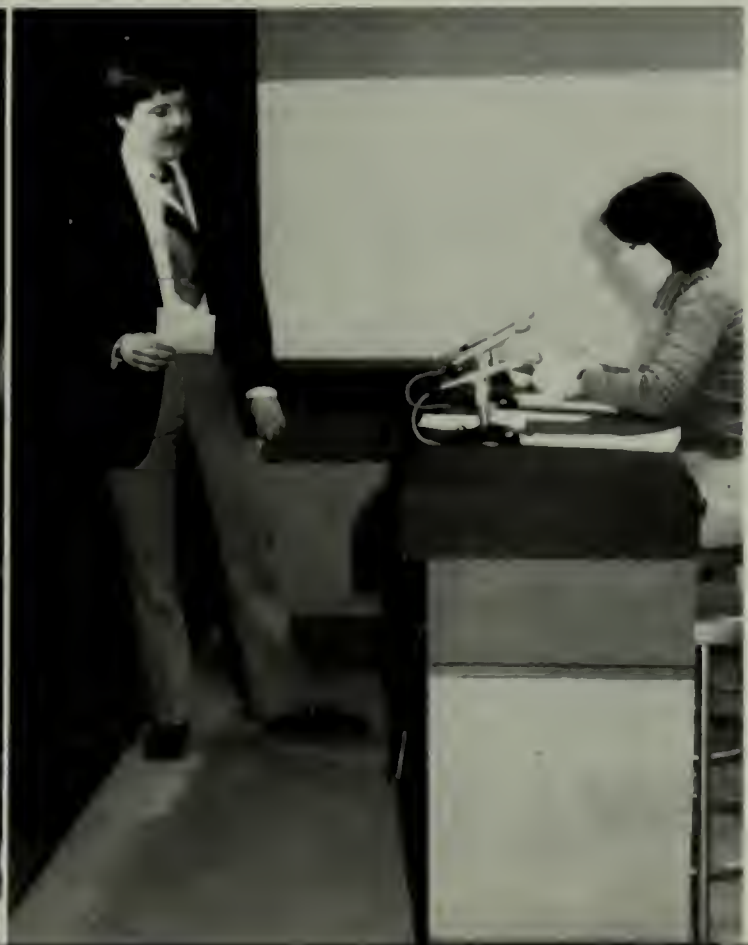

The Waltham Media Association is comprised of a group of students interested in the complex field of communications. Students are introduced to the basic elements of the cinema, the recording industry, radio and advertising. At the end of each year the association presents their Broadcast Journalist of the year award to a professional newscaster. This year the award went to Mr. Tony Pepper.

Top of the Morning is a live unrehearsed news broadcast, which takes a lot of time and patience to be produced.

The success of the show is due to the conscientious production staff under the supervision of Mr. William Lawler. The seniors on the staff consist of director Dave Bedrosian, assistant director Paul Connerney, and production assistants Peter Foti and Darryl Ricci. The audio is done by Rich Bianchi and Ruthanne Kokidko is the floor director.

The seniors on the expertise anchor team consist of Mary Biggins, Karen Ranucci and George Melanson.

Top of the Morning makes listening to the announcements much more pleasant.

NATIONAL HONOR SOCIETY

Red Sox game highlights NHS activities

Thank you, Ms. Geary

The National Honor Society is a national high school organization which gives recognition to outstanding students on the basis of character, scholarship, leadership, and service. This organization founded in 1921, has been sponsored through the years by the National Association of Secondary School Principals.

This year the Waltham Chapter of the NHS was comprised of a group of seventy-five students. The majority of the members were formally inducted into the society of May 21, 1979.

The NHS undertook many worthwhile projects inside and outside of school and its community. The highlight of these projects was the Celtics and Red Sox games to which they brought foster children and orphans from the Nazereth Home in Jamaica Plain.

Congratulations to Ms. Rosemary Geary, the faculty advisor, and Mr. Thomas Leverone, the past faculty advisor, for all the time and effort they have given the NHS.

The "Mirror" Staff honors our retiring principal, Mr. George E.P. Husson, Jr.

Mr. George E.P. Husson Jr. was educated at Lynn English High School, received an education degree from Salem State College in 1935. He later earned a master's degree in business administration from the University of Maine at Orono. For five years, he served in the military and was an Army Captain during World War II. He then taught business at Husson College in Bangor, Maine for the next five years. The college was founded by his brother Chesly H. Husson in 1926 and was largely devoted to teaching former G.I.'s after the war.

Mr. Husson also was a baseball, basketball, and football coach at Howe High School in Billerica, and at Attleboro and Belmont High Schools. In 1952 he came to Waltham High and became Business Department Head in 1961. He also worked for three years as assistant to the superintendent and in 1967 was appointed principal of Waltham High School.

For the past 13 years as our principal Mr. Husson has always had the best interest of the students in mind. He was a constant supporter of our athletic teams and was very proud of the scholastic achievements of the Waltham students. As the number one supporter of our yearbook he gave the students and the advisor the encouragement to continually produce books of higher quality. The faculty and students at Waltham High have lost a great friend. We would like to wish Mr. Husson and his family as much happiness in retirement as he gave the students at Waltham High.

Princess Caroline married in Monaco

In July of 1978 Princess Caroline was married to Philippe Junot. They were married in two separate ceremonies, one a civil wedding performed by the COUNTRY OF MONACO, the other a Roman Catholic service outside the palace chapel. Even though Princess Caroline's wedding lacked the Hollywood-style hoopla of her mother's wedding, it was none the less done in a royal style.

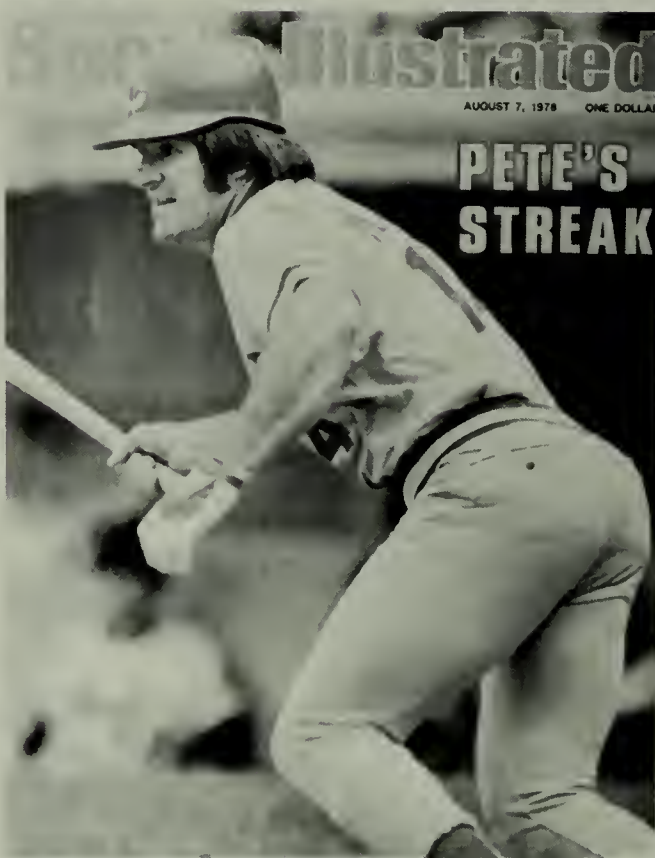

The Red Sox are red hot

"The Red Sox are goin' all the way" was the cheer heard around Boston last year during the first half of the season. They were ahead of the N.Y. Yankees by 14 games. Their hitting and fielding were both excellent with players like Jim Rice, Carl Yaz and Fred Lynn. They were so hot that other teams in the American League were seriously considering the Red Sox as the team to beat.

Pete Rose hits in 44 consecutive games

Rose became the second National Leaguer to hit safely in 44 consecutive games, the first since Willie Keeler did it in 1897 under more liberal hitting rules. His streak would end the next day, 12 games short of Joe DiMaggio's major league record, but in batting .385 for those 44 games Rose had captured the imagination of the country.

Pope Paul VI is dead after 15 years Papacy

Pope Paul VI was a very important member of the Roman Catholic church. He was described as being the "Pilgrim Pope." During his 15 year reign as Pope he tried to follow in ways of his namesake, Saint Paul. At the time of his death the question that was most commonly asked was "Can the Church adapt to the changing world and remain a vital and meaningful shepherd?" He died at age 80.

Double Eagle II crosses Atlantic

When three adventurous Americans from Albuquerque set the world distance record and crossed the Atlantic Ocean by balloon, it gave Americans something to cheer about.

Modeled after the famous airplane of Charles Lindbergh, Ben Abruzzo, 48, Max Anderson, 44, and Larry Newman, 31, set sail in the eleven story high Double Eagle II. The 3,100-mile trip began in Presque Isle, Maine and ended in Miserey, France five days, 17 hours, and six minutes later.

Jimmy blasts Bjorn to win US Open

At the new U.S. Tennis Open held in Flushing Meadow, a determined Jimmy Connors walloped Bjorn Borg with a nearly perfect 6-4, 6-2, 6-2. Connors' aggressive playing undoubtedly stemmed from the embarrassing straightset thrashing he took from Borg at Wimbledon last July, 1977. Connors came out blazing, driven from the very first game to win the tournament. Relentless on the attack he broke Borg's serve early in each set. Though Connors' pressure undoubtedly bothered him, not once did Borg break serve.

Borg, commenting on Connors' spectacular performance said, "Jimmy was born on this stuff. This is his court. I saw he was on top of his game from the beginning. There was not much I could do."

The Red Sox — what happened?

What happened to the Red Sox and what happened to the Yankees? It seemed that at mid-season the two teams switched places. The Red Sox were 10 games ahead and going strong in the beginning with the Yankees poking along suffering from injuries and trades, but as usual things changed as soon as Boston fans believed the Red Sox would go all the way. Injuries! Everyone became injured on the Boston team. They were left helpless and the Yankees were coming after them, coming closer and closer and then the attack came. The Yankees beat the Red Sox in the playoffs and then later destroying the Dodgers to win the World Series.

Bucky Dent was awarded the MVP for his excellent effort in the field and at bat.

Murder of U.S. Congressmen in Guyana triggers mass suicides and murders

Leo J. Ryan, a U.S. representative from California, and four other Americans were shot to death by members of the People's Temple as they prepared to leave Guyana by plane.

When Jim Jones, the charismatic but paranoid leader of the cult, learned of this he informed his followers that a previously rehearsed suicide ritual would be carried out. Only a few members of the cult escaped death by fleeing into the jungle. When Guyanese troops arrived at Jonestown after the airport murders they were overwhelmed by the sight of over 900 bodies lying inside and outside the buildings.

The oil fields were shut down by strikes, rioters ran wild, and supporters of Ayatollah Khomeini wreaked havoc in the streets of Tehran. The rule of the Shah was coming to an end. The pro-Shah forces began to diminish in number and sensing this the Shah left Iran and is now living in exile in the Bahamas.

Imitation Elvis tops Gable and Nicholson

CBS and NBC in their effort to unseat ABC in February with Clark Gable in "Gone With the Wind" and Jack Nicholson in "One Flew Over the Cuckoo's Nest" only to have ABC answer with Kurt Russell in "Elvis." Imitation Elvis proved that the appeal of the King of Rock and Roll is as great today as during his heyday as ABC swept the ratings much to the dismay of CBS and NBC.

The Ayatollah takes command

After 14 years of exile, Iran's Ayatollah Khomeini finally returns home to contain the revolution. Instead of calming the fires of revolution he added fuel to them. Many of the Shah's close confidants were brought before firing squads. The dictatorship of the Shah probably would have served the people better.

As a fitting climax of his career, Bobby Orr was inducted into the NHL Hall of Fame in June. He became the youngest player to be inducted.

Teddy: Backseat President?

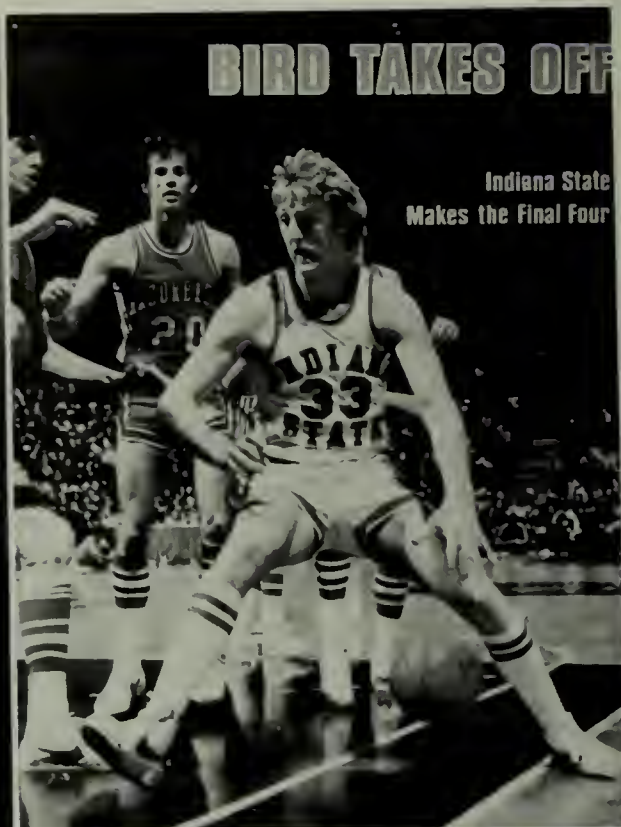

Senator Edward Kennedy and President Jimmy Carter agree on most major issues. Over the past two years, Teddy has loyally supported the President on matters as diverse as arms control, airline deregulation and hospital cost containment. However, recently Kennedy has frequently opposed Carter's politics of austerity, calling the budget "seriously defective."

Kennedy calls their differences "basic and fundamental," but when asked if they might drive him to run against Carter in the 1980 Presidential election, he repeats his standard loyalty oath, "I have every expectation that the President will run, be renominated and re-elected in 1980. I expect to support him."

Bill Rodgers — The Marathon Man

The annual twenty-six mile run known as the Boston Marathon was held on a cold and rainy afternoon in April with a temperature of 42°F. There were 7,877 official entrants and 3,000 or more without official approval who attempted to run the course. One entrant named Bill Rodgers, the defending champion, stood out among the crowd and seemed to be very popular with the Boston Viewers lining the streets. After all, he is a Bostonian. He proved to himself and the people that he could win his third Boston Marathon and even with an American record, at a time of 2:09:27, beating his previous record by 28 seconds. Bill Rodgers is truly the Marathon Man.

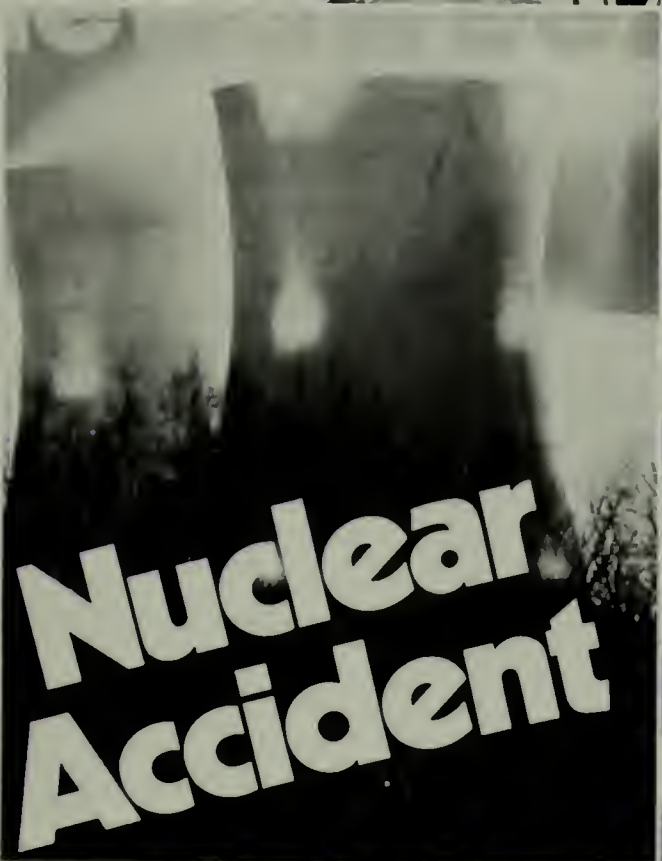

Radiation at Three Mile Island

The accident at the Three Mile Island Nuclear Power Plant, apparently occurred when pellets of enriched uranium fuel overheated so much that they melted through the tubes that held them. It was the beginning of the worst accident in the history of U.S. nuclear power production, and of a long, often confused nightmare that threw the future of the nuclear industry into question.

Whereas the ultimate meltdown did not occur, radiation was leaked into the atmosphere and in years to come we will find out the damage it caused.

Is the Energy Crisis for real?

As the price of oil soars on the world market Americans are asking the question "Is there really an energy crisis or are the oil companies holding the oil to increase the price." The long lines at the gas stations reminding people of the Arab oil embargo are the order of the day. The prospects are for a long dry summer and a very cold winter especially here in the Northeast.

Canadians win the Stanley Cup — what else is new?

The Montreal Canadians led by Bob Gainey and Guy LaFleur won their fourth consecutive Stanley Cup and the twenty-first in their long and illustrious history by defeating the Rangers four games to one. To Bruins' fans the final was anti-climactic after their loss in overtime in the seventh game to the Canadians. The Bruins seemingly assured of victory in the seventh game were given a penalty for too many men on the ice with two minutes remaining in the game. Guy LaFleur quickly tied the score and the Canadians went on to win in overtime. The rest is history.

The plane banked, rolled over and plummeted, crashing near a trailer park killing all passengers and crew instantly. It was the worst air disaster in U.S. history. An ironic aftermath of this tragedy was the FAA ruling grounding all DC-10's until they are assured of their safety.

The Bullets won the first game 99-97 with two fouls shot after the buzzer, but from there on it was all Sonics. The Sonics' defense swarmed all over the Big E and held the Bullets under 100 in four of the five games, thus avenging their loss to the Bullets in last year's final.
